THE NATIONAL TREASURY AND PLANNING

INTERNATIONAL EXPRESSION OF INTEREST (EOI) PROVISION OF LIABILITY MANAGEMENT OPERATIONS **ADVISORY SERVICES**

TENDER NO. TNT/E01/002/2020-2021

The Government of the Republic of Kenya has in the past conducted liability management operations on its local currency debt aimed at improving the debt maturity profile and aims to extend the same to a number external syndicated credit facilities.

The Government through the National Treasury seeks to appoint a Liability Management Operations Advisory Firm to advice on liability management operations in a number of external syndicated credit

The proposed assignment is meant to provide liability management advisory services to the Government of Kenya, to conduct liability management operations on some external syndicated commercial loans to improve deht sustainability profile

Debts held in form of international sovereign bonds are excluded.

Scope of the services to be provided:

This shall inter-alia include the following workstreams:

- Detailed review of the terms and conditions of the underlying loans or credit agreements for the selected external syndicated debts identified for liability management operations;

 Detailed analysis of the costs and risks in each of the selected external syndicated loan
- 2
- 3 Recommend a menu of liability management operations to be undertaken to improve public debt sustainability profile; and
- Provide advisory support in the execution of the remedial actions to achieve the objective of the liability management operations.

The National Treasury now invites highly reputable firms with at least five years experience in the provision of sovereign debt advisory services in low income and emerging economies to submit expression of interest to provide the services. The Expression of interest will be evaluated to shortlist sovereign debt advisory firms with demonstrable technical capabilities and relevant experience to be invited for a further bidding process ((Request for Proposals – RFP)

To avoid conflict of interest, the Liability Management Operations Advisory Firm SHOULD NOT be a holder of Government of Kenya's syndicated debts or are currently acting on behalf of syndicated lenders to the Government of Kenya, either directly or indirectly (through affiliates and or subsidiaries). Interested firms are requested to submit information indicating their:
